TO WHOM IT MAY CONCERN

Dear fellow associates of PUTRADE,

IMPLEMENTATION OF AN ANTI-BRIBERY MANAGEMENT SYSTEM.

Putrade Property Management Sdn. Bhd. (PUTRADE) is committed to maintaining the highest standards of honesty, integrity, business ethics, and corporate governance. This is in line with all laws and rules with the introduction of the Anti-Bribery Management System (ABMS) ISO 37001: 2016 Certification.

For PUTRADE to run its business operations and activities, this implementation will affect the following parties:

- Persons Associated - internal party, i.e.: directors, partners, or associates of PUTRADE
- Business Associates - external associates performing work or services for or on behalf of PUTRADE.

To outline PUTRADE's principles to curb bribery and corruption, we will be introducing **Anti-Bribery and Anti-Corruption Policy and Guidelines (ABAC Policy)** that sets out guidance in general terms.

PUTRADE is dedicated to learning and interacting with its associates to assess their awareness of and compliance with PUTRADE's anti-bribery and anti-corruption policies, as well as the repercussions of committing these offences.

The Board of Directors and I expect each associate of PUTRADE to **pay attention to these efforts** and **participate in the training and awareness programmes** on the ABAC Policy.
